

## QUICK INSTALLATION GUIDE

### Times ATA-1000 Phone Adapter With 1 Port for Voice-over-IP

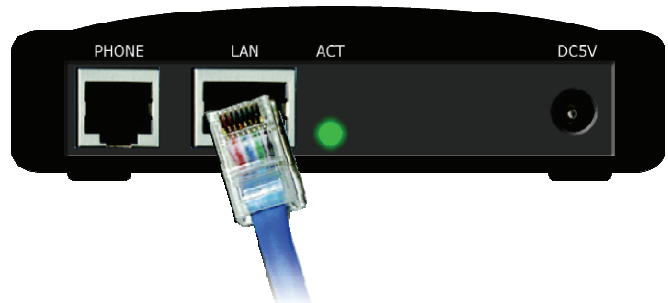

This installation guide explains how to connect the Phone Adapter to your network and telephones. Show below is a connection diagram displaying a typical setup with one Internet phone line.

- Step 1** If necessary, disconnect the telephone cable from the telephone wall jack and connect that end to the telephone jack adapter. Then, connect the telephone jack adapter to the **PHONE** port of the Phone Adapter.

- Step 2** Connect an Internet network cable to the **LAN** port of the Phone Adapter. Connect the other end to one of your router's Ethernet ports.

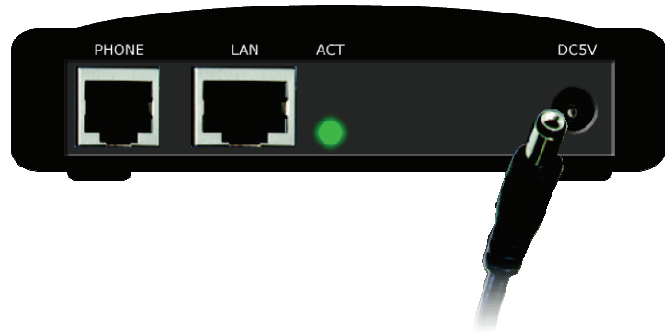

#### TIMES TELECOM CUSTOMER SUPPORT CENTRE

130-8191 Westminster Hwy, Box 551 | Richmond | BC V6X 1A7 Canada
